AT THE GOVERNMENT HOUSE AT OTTAWA

SATURDAY, the 1st day of November, 1941.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas by Order in Council P.C. 2516 of the 3rd day of September, 1939, the Wartime Prices and Trade Board was constituted and the Wartime Prices and Trade Board Regulations were made and established to provide safeguards under war conditions against any undue enhancement in the prices of food, fuel and other necessities of life, and to ensure an adequate supply and equitable distribution of such commodities;

And whereas by Order in Council P.C. 3998 of the 5th day of December, 1939, the said Regulations were amended and consolidated;

And whereas by amendment of Section 88 (a) of the Special War Revenue Act and by Order in Council P.C. 7373 of the 13th day of December, 1940, the provisions of such Regulations were extended and made to apply to the jurisdiction respectively conferred upon the Board in respect of the War Exchange Tax of 10 per cent on the value for duty of imported goods and in respect of goods specified in Schedules One and Two to the War Exchange Conservation Act, 1940.

And whereas by Order in Council P.C. 6834 of the 28th day of August, 1941, the said Regulations were amended and consolidated, extending the jurisdiction of the Board to goods and services, providing that public control of the prices of goods and services should be exercised by or with the concurrence of the Board, and making provision for co-ordination with the Wartime Industries Control Board and Controllers appointed on the recommendation of the Minister of Munitions and Supply and for co-operation with other governmental departments and agencies;

And whereas by Order in Council P.C. 8527 of the 1st November, 1941, the Maximum Prices Regulations were made and established, to be administered by the Board under powers conferred by the Wartime Prices and Trade Regulations and, in order that the Board may more effectually perform its duties, it is deemed advisable that additional powers be conferred upon it, and that the latter Regulations be strengthened in some respects;

And whereas it is deemed advisable to consolidate the Regulations as amended and, to that end, to rescind such Regulations and to make and establish in substitution therefor the Regulations hereinafter set forth;

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, and under and by virtue of the powers conferred on the Governor General in Council by the War Measures Act, Chapter 206, Revised Statutes of Canada, 1927 and otherwise, is pleased to order and doth hereby order as follows:

1. The Wartime Prices and Trade Board Regulations made by Order in Council P.C. 6834 of the 28th day of August, 1941, are hereby rescinded.

2. The Regulations hereinafter set forth are hereby made, established and substituted for the Regulations hereby rescinded.

3. The powers of the Wartime Prices and Trade Board and the provisions of the Regulations referred to in Section 88 (a) of the Special War Revenue Act and in Order in Council P.C. 7373 of the 13th day of December, 1940, shall be held and construed to be those contained in the Regulations hereby made and established.

(2) The powers vested in the Board by the next preceding subsection, with the exception of those contained in paragraph (f) thereof, shall not be exercised in respect of any articles, commodities, substances, goods, services or things over which or in respect of which a Controller is given authority, jurisdiction or power, except at the request or with the concurrence of the Chairman of the Wartime Industries Control Board; provided, however, that the fact of such request or concurrence or any concurrence referred to in subsection (3) of Section 2 of these regulations shall not be questioned in any proceedings in any court, and no person shall be bound or entitled to enquire or to ascertain whether any such request or concurrence was made or given.

(3) In the exercise of its powers conferred by these regulations or otherwise, the Board shall be responsible to the Minister and, whenever any directions are given by the Minister, all action taken by the Board shall be in accordance with such directions.

(2) The Board may appoint one or more persons to conduct investigations and every such person shall be vested with such of the powers aforesaid as the Board may confer on him.

(3) Each member of the Board and any other person so authorized by the Board shall have power to administer oaths and receive affidavits and statutory declarations.

6. It shall be the duty of the Board

- (a) to arrange, wherever possible through existing government agencies, for the assembling of required statistical data in relation to any part of any trade or industry regarding prices, costs, stock of goods, volume or production, productive capacities, and related matters;
- (b) to refer to the Commissioner of the Combines Investigation Act any information relating to practices which may be violations of the Combines Investigation Act or of Section 498 of the Criminal Code, if, in the opinion of the Board, such practices impede the operation of these regulations;

may recommend that such goods or services be admitted into Canada free of duty or that the duty thereon be reduced to such amount or rate as will, in the opinion of the Board, give the public the benefit of reasonable competition; or to recommend that such remedial action be taken by way of removal or reduction of duties or taxes on goods or services or by way of the payment of subsidies or otherwise as it may deem desirable in the national interest for the purpose of restraining increases in the cost of living or of offsetting uncontrollable increases in costs provided that no such recommendation shall be made in respect of any articles, commodities, substances, goods, services or things over which or in respect of which a Controller is given authority, jurisdiction or power, except at the request or with the concurrence of the Chairman of the Wartime Industries Control Board.

Maximum Prices

7. (1) Subject to any lower price that may be required by the operation of the provisions of subsection (1) of Section 8 of these regulations, no person shall on or after December 1, 1941, sell or offer to sell any goods or services at a price that is higher than the maximum price for such goods or services pursuant to these regulations; but nothing in this Section shall be construed so as to prevent any person from selling or offering to sell any goods or services at a price lower than the maximum price.

(2) The highest lawful price at which any person sold any goods or services during the basic period shall be the maximum price at which such person may sell or offer to sell goods or services of the same kind and quality; provided, however, that the provisions of this subsection shall not apply so as to supersede or vary any specific or maximum or minimum price fixed prior to December 1, 1941, by or on behalf of or under authority of the Board, or fixed or approved prior to December 1, 1941, by any other federal, provincial or other authority with the written concurrence of the Board, nor so as to fix any maximum price with respect to

- (a) any sale of goods for export where such export is made by the seller or his agent;
- (b) any sale to the Department of Munitions and Supply or any agency thereof;
- (c) the sale by any person of his personal or household effects;
- (d) isolated sales of goods or services by any person not in the business of selling such goods or services;
- (e) bills of exchange, securities, title deeds and other similar instruments;
- (f) sales of goods by auction in cases where such procedure is the normal practice and is followed in good faith and without any intention of evading or attempting to evade the provisions of these regulations or of any order.

(3) Wherever any maximum price has been fixed for any goods or services by reference to the price at which goods or services of the same kind and quality were sold by a seller during a specified period or on a specified date, such maximum price shall also be the maximum price at which the same seller may sell or offer to sell goods or services of a substantially similar kind and quality not sold by him during such period or on such date; and in any case in which the question arises as to the lawful price for any such goods or services the onus of proving the existence and extent of any relevant and substantial similarity or dissimilarity alleged by the seller shall be upon him.

(4) Wherever a maximum price has been fixed by or under these regulations for any goods or services every seller shall continue to allow any difference in price which he has during the basic period or customarily allowed to different classes of buyers or for different quantities or under different conditions of sale, and which result in a lower net price per unit of goods or services and, for the purposes of this subsection, the Board may from time to time, generally or in specific cases, prescribe what person or persons shall constitute a class, and what conditions of sale and what quantities shall entitle a purchaser to the benefit of this subsection, and what difference in price shall be allowed by the seller aforesaid.

(5) No person shall impose any terms or conditions of sale, or alter any terms or conditions of sale imposed or agreed to by such person during the basic period or

customarily imposed or agreed to by such person, in such a way as directly or indirectly to increase the maximum price of any goods or services fixed by or under these regulations.

(6) Where a contract to supply any goods or services was entered into prior to the basic period or subsequent to the basic period but prior to December 1, 1941, at a price higher than the maximum price pursuant to these regulations, the price for any goods or services supplied under such contract on or after December 1, 1941, shall be reduced to such maximum price.

(7) For the purposes of any regulation or order if a person operates a branch of his business or otherwise operates more than one place of business, he shall, in respect of each such branch or place of business, be deemed to be a separate seller.

(8) Nothing contained in this Section shall be deemed to supersede any provision of any order or to derogate from any power conferred on the Board, and without restricting the generality of this provision, the Board may vary any maximum price, may concur in any variation of a maximum price, may prescribe other or additional terms or conditions of sale, may exempt any person or any goods or services or any transaction wholly or partly from the provisions of these regulations, and may withdraw any such exemption or any exemption contained in subsection (2) of this Section, either generally or in specific cases and subject to such terms and conditions as the Board may prescribe.

(9) For the purposes of these regulations and of any order, any consideration, money or money's worth given or paid by the buyer to any person in connection with the purchase of any goods or of any service or received by the seller from any person in connection with the sale of any goods or of any service shall constitute part of the price.

(b) for any real property for which there was no lease in effect on October 11, 1941, but for which there was a lease in effect at some time or times since January 1, 1940, shall be the rental lawfully payable under the latest lease in effect between January 1, 1940, and October 11, 1941; and

(c) for any other real property, shall be the maximum rental that may from time to time be fixed by or on behalf of or under authority of the Board.

(4) Nothing contained in this Section shall be deemed to supersede any provision of any order heretofore made or any maximum rental heretofore fixed by or on behalf of or under authority of the Board or to derogate from any power conferred on the Board and, without restricting the generality of this provision, the Board may vary any maximum rental, may concur in any variation of a maximum rental, may prescribe other or additional terms or conditions of any lease, may exempt any person or any real property or any lease or transaction wholly or partly from the provisions of these regulations and may withdraw any such exemption, either generally or in specific cases, and subject to such terms and conditions as the Board may prescribe.

(6) No person shall attempt to commit or aid, abet, counsel or procure the commission of any offence under these regulations, or conspire with any other person by any means whatsoever to commit an offence under these regulations, or enter into any transaction or arrangement designed for the purpose or having the effect of evading any regulation or order.

(7) No person shall make any misrepresentation or false statement to or for the use or information of the Board or any member, employee or agent thereof or any police officer or any other person concerned in the administration of these regulations or of any order, with reference to any matter affected by these regulations or such order.

(2) In any proceedings upon summary conviction, any charge may include several offences against any regulation or order committed by the same person and any number of charges may be included in one and the same information; and all such charges may be tried concurrently and one conviction for any or all of such offences may be made, which conviction may but need not provide a separate penalty for each such offence.

8. (1) No person shall be prosecuted under these regulations except with the written leave of the Board or of the Attorney-General of any province, and such written leave shall be sufficient if it purports to be signed by such Attorney-General or on behalf of the Board and if it is in the following form: "Leave is hereby given that proceedings be instituted within three months from the date hereof against..... for an offence or offences under the Wartime Leasehold Regulations."

10. (1) Where any person is charged with an offence under these regulations, it shall not be necessary for the prosecuting authority to establish that the person so charged had not been exempted from the relative provisions of these regulations or of any order, or had not received the permission of the Board for any act or omission, and if the person so charged pleads or alleges that he had been so exempted or had received such permission, the burden of proof thereof shall be on the person so charged.

(2) For the purposes of the prosecution of a person for an offence under these regulations, the offence shall be deemed to have been committed either at the place where it was actually committed or at any place in Canada in which the offender resides or carries on business or is found or apprehended or is in custody.

(3) In any prosecution for any contravention of subsection (1) or of subsection (2) of Section 6 of these regulations, evidence by an accused person that he has made an application for permission to increase any maximum rental shall not constitute a defence.

(4) If, in any proceedings for an offence against these regulations, the prosecution proves that any rental was charged, demanded, received, collected or paid before or since October 11, 1941, for any real property the maximum rental for which has been fixed by the Governor in Council or by or on behalf of or under authority of the Board such rental shall in the absence of evidence to the contrary be deemed to be at a rate not less than such maximum rental.

THE EMERGENCY SHELTER REGULATIONS

as established by

Order in Council P.C. 9439 of December 19, 1944

and amended by

Order in Council P.C. 1173 of February 22, 1945 and

Order in Council P.C. 4408 of June 20, 1945.

P.C. 9439

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 19th day of December, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Finance reports that due to congestion of population in certain areas of Canada, there has developed a serious shortage of housing accommodation which cannot be entirely relieved by new construction during wartime because of unavoidable scarcities of materials and labour;

That circumstances arising out of present and potential developments in the war situation are likely to aggravate the congestion; and

That in order to prevent further congestion and to deal more effectively with the shelter situation in congested areas it is in the national interest that the powers of the Wartime Prices and Trade Board be amplified and that measures be taken for the co-ordination under that Board of all activities relating to the transfer of population into such areas and to the control and use of available shelter therein;

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, and under and by virtue of powers conferred by the War Measures Act and otherwise, is pleased to make the following Regulations and they are hereby made and established accordingly,—

REGULATIONS

Interpretation

1. These regulations and any amendment thereof or addition thereto may be cited as The Emergency Shelter Regulations.

2. For the purposes of these regulations,

- (a) "Board" means the Wartime Prices and Trade Board;
- (b) "lease" means any enforceable contract for the letting or sub-letting of any shelter or any leave and licence for the use of any shelter, whether such contract or leave and licence is made orally, in writing or by deed; and the verbs "let" and "rent" shall each have a corresponding meaning;

- (f) "regulation" means any of these regulations and any amendment thereof or addition thereto;
- (g) "shelter" means any land and premises used or capable of being used as a place of dwelling together with all appurtenances thereto belonging.

3. (1) These regulations and any order made thereunder shall prevail over any other law in force in any part of Canada to the extent that such other law is in conflict therewith.

(2) His Majesty in right of Canada or of any province thereof shall be bound by the provisions of these regulations or of any order.

(3) Expressions used in any order shall, unless a contrary intention appears, have the same meaning as corresponding expressions in these regulations.

Powers of the Board

4. (1) In addition to any other powers conferred on the Board by the Governor in Council and without derogating therefrom, the Board shall have power, from time to time

- (a) to cause surveys respecting shelter and the demand therefor to be made in such areas to such extent and in such manner as the Board may decide and by such persons as the Board may appoint;
- (b) to require any person to furnish, in such form and manner and within such time as the Board may specify, any information deemed by the Board to be necessary for the effectual administration of these regulations and specified in such requirement;
- (c) to investigate any shelter and the use or possible use thereof and of its facilities and services, or any alleged or apparent offence under these regulations; and for the purpose of any such investigation, the Board and any person authorized by the Board to conduct such investigation shall have all the powers of a commissioner appointed under the provisions of the Inquiries Act;
- (d) to enter any premises to inspect and examine the same or to exercise any of its powers;

- (e) to prescribe the manner in and extent to which and the terms and conditions under which any shelter shall be used, and to prohibit use not in accordance with such prescription;
 - (f) to vary or suspend or require variation or suspension of the terms and conditions of any lease or any covenant, agreement or law affecting any shelter in such respects as the Board may designate;
 - (g) to terminate or require the termination of any lease and the delivery up of possession of any shelter on such terms and conditions as the Board may designate;
 - (h) to require, on such terms and conditions as the Board may specify, any person to let or offer to let or continue to let any shelter and to give possession thereof to such person as the Board may specify;
 - (i) subject to the provisions of Section 7 of the War Measures Act, to take possession of any shelter and use it in any manner;
 - (j) upon failure of any person to vacate or give possession of any shelter pursuant to any order, to apply to the Attorney-General of Canada to issue in any form a warrant for possession to the sheriff within whose jurisdiction such shelter is situated, directing such sheriff to evict from the shelter described in the warrant any person named in the warrant or to put any person named in the warrant in possession of the shelter described therein, which warrant the Attorney-General of Canada or the Deputy Minister of Justice is authorized to issue if he is satisfied that with a view to securing compliance with an order, validly made under these regulations, it is necessary so to do, and such warrant shall be executed by such sheriff as if it were a warrant or writ of possession issued out of the superior court of the province in which such shelter is situated;
 - (k) to require any person to perform or refrain from performing such act in respect of any shelter as the Board may specify in order more effectively to exercise its powers and enforce any order;
 - (l) generally to take such action as the Board deems necessary or advisable to prevent further congestion or to alleviate congestion in any area.
- (2) The Board may from time to time delegate to such Administrators of Emergency Shelter as may be appointed and to other persons such of the powers and discretions of the Board on such terms as the Board deems proper.
- (3) The Board may appoint such temporary assistants, technical and otherwise, and such casual workers as it deems necessary for the effective exercise of the powers conferred by these regulations and at such remuneration as the Board may decide, provided that such remuneration shall be in conformity with rates prescribed for similar duties in the Civil Service; and the Board may authorize and pay such expenses as in its opinion are necessary for or incidental to the effective exercise of such powers.
- (4) All expenses lawfully incurred under these regulations shall be payable out of moneys provided by Parliament.

Co-ordinated Action in Congested Areas

5. (1) The provisions of this Section shall only apply in such areas as the Board or an Administrator of Emergency Shelter may designate from time to time by notice published in *Canadian War Orders and Regulations*.

(2) Every person in any area shall co-operate with the Administrator of Emergency Shelter for that area in the discharge of his duties in order that hardship respecting shelter in that area may be prevented or alleviated and, to that end, no person without the previous concurrence in writing of such Administrator shall

- (a) cease to make available as a place of dwelling any shelter heretofore or hereafter provided by such person as a place of dwelling and to the same extent; or
- (b) discontinue any heating, lighting, water or other service or facility reasonably necessary for the use of such shelter as a place of dwelling;
- (c) transfer any persons to an area designated under this Section where such transfer would appreciably aggravate the shelter situation in such area, or

transfer any persons from such area to another area where such transfer would appreciably aggravate the shelter situation in the latter area; but, for greater clarity, this provision shall not be construed so as to prevent the transfer of any members of His Majesty's Forces from one barracks or other non-civilian establishment to another or any transfer necessary for the safety of the state;

- (d) refuse to let any shelter to any person on the ground of such person having a child or children or make absence of a child or children a condition of any lease for any shelter.

(3) The Board may, whenever it deems it feasible so to do, make such order and take such action as is necessary to cause any shelter to be made habitable or to cause any uncompleted shelter to be completed in such manner as the Board may direct and within such time as the Board deems reasonable.

(5) No person shall make any false statement or misrepresentation to or for the use or information of the Board or of any person concerned in the administration of these regulations or of any order.

6. (2) In any proceedings upon summary conviction, any charge may include several offences against any regulation or order committed by the same person and any number of charges may be included in one and the same information; and all such charges may be tried concurrently and one conviction for any or all of such offences may be made, which conviction may but need not provide a separate penalty for each such offence.

7. (1) No person shall be prosecuted under these regulations except with the written leave of the Board or of the Attorney General of any province and such written leave shall be sufficient if it purports to be signed by such Attorney General or on behalf of the Board and if it is in the following form: "Leave is hereby given that proceedings be instituted within three months from the date hereof against. for an offence or offences under the Emergency Shelter Regulations."

(3) In any proceedings in any Court, the affidavit of any person concerned in the administration of these regulations sworn before a commissioner or other person authorized to administer oaths deposing that he has knowledge of the facts and setting forth the official character in which he is concerned in the administration of these regulations and that an annexed document is a true copy of a document signed and issued by him pursuant to these regulations or any order, shall be received as *prima facie* evidence that such document was so signed and issued by him under authority of the Board, and such affidavit shall be received in evidence without proof of the signature or official character of such person and without proof of the signature or official character of the person before whom such affidavit was sworn.

WARTIME PRICES AND TRADE BOARD

Order No. 479

Acquisition of Goods for Overseas

Explanatory Note: The Board has been entrusted by the Government with responsibility for the maintenance of orderly production and distribution of essential civilian requirements. Unco-ordinated appeals by relief agencies for donations of clothing and other goods for despatch to other countries are threatening seriously to disorganize the programme of the Board to provide for essential domestic needs after Canadian commitments for vital war supplies and the requirements of United Nations Relief and Rehabilitation Administration have been furnished. It is imperative, therefore, that public appeals and purchases in Canada by or on behalf of all relief agencies be co-ordinated so as to ensure that humanitarian effort will harmonize with other essential requirements and that the best results for all claimants upon Canadian supplies will be achieved.

Therefore, at the request of the Government and under powers conferred by the Wartime Prices and Trade Regulations, Order in Council P.C. 8528 of November 1, 1941, as amended, the Board hereby orders as follows:

1. Except with the previous permit in writing granted under Section 2 of this Order, no person, association or institute under whose auspices a War Charity Fund registered under the War Charities Act is being raised or is proposed to be raised, shall, on or after February 6, 1945, for any purpose other than for distribution in Canada or to Canadian Armed Forces or merchant seamen under existing arrangements,

- (a) directly or indirectly solicit or make any appeal to the public or any members thereof for the donation of any goods, new or used, or
 - (b) purchase or otherwise acquire any goods, new or used.
2. (1) All applications for a permit shall be made to the Director of Voluntary War Relief, Department of National War Services, and shall be on a form provided by such Director.
 - (2) The Director may, with the advice and the concurrence in writing of the Wartime Prices and Trade Board, issue, amend or cancel any permit, or may decline any permit.
 - (3) A permit if issued shall be issued to the persons constituting the committee or other body referred to in clause (a) of Section 5 of the War Charities Act.
 - (4) Any permit issued under this Section shall specify the terms or conditions to which it shall be subject.
 3. (1) Every person named in a permit issued under Section 2 shall comply with all terms and conditions set forth in the permit and shall cause all other persons soliciting or acquiring goods for the War Charity Fund to comply with such terms and conditions.
 - (2) Records shall be kept and reports shall be made as may be required by the said Director from time to time.

4. All committees or bodies referred to in clause (a) of Section 5 of the War Charities Act administering a War Charity Fund registered before February 6, 1945, shall, not later than February 21, 1945, report to the said Director, in form satisfactory to him, the quantity of each kind of goods in the possession or control of such Fund on February 6, 1945.

5. This Order shall come into force on February 6, 1945.

Made at Ottawa, February 5, 1945.

Chairman.

Effective Date and Application of Order

1. This Order comes into force on February 23, 1945, and applies to all sales of meat and meat products for use as or for resale for use as ships' stores.

Prices Fixed Are Maximum Prices

2. All prices fixed by this Order are maximum prices and must not be exceeded. Except as otherwise specifically provided in this Order, no charge may be made for a container or for packing, handling or any other service which results in the sum of the price and the charge for the container, packing, handling and/or other service exceeding the maximum price.

Additional Payments and Considerations Are Part of the Price

3. Any consideration, money or money's worth given or paid by the buyer to any person in connection with the purchase of any meat or meat product or received by the seller from any person in connection with the sale of any meat or meat product shall constitute part of the price of such meat or meat product.

General Definitions

4. For the purposes of this Order

- (a) "product order" means the Board or Administrator's Order which fixes the maximum price at which any meat or meat product may be sold at wholesale in Canada;
- (b) "sell" includes an offer to sell;
- (c) "Zone No. 2", "Zone No. 3", "Zone No. 4" and "Zone No. 14" mean, respectively, the zones, similarly numbered, described in Board Order No. 307 (Beef Order);
- (d) every other word or expression which, by Board Order No. 226 (Ships' Stores Order), as amended, or any Order replacing that Order, is given a defined meaning, shall have the same meaning wherever it is used in this Order.

Maximum Wholesale Prices Apply Unless Otherwise Specified

5. Except as otherwise provided in this Order, no person shall sell any meat or meat product to any person for use as, or for resale for use as ships' stores, at a price which exceeds the lawful maximum price at which the same may be sold at wholesale, as fixed by the product order concerned or under the provisions of Board Order No. 414, or, if not so fixed, as fixed by Section 7 of The Wartime Prices and Trade Regulations.

Maximum Prices—Certain Meats Acquired by Slaughter

6. (1) The maximum prices fixed by this Section apply not only when the sale is made direct by a person who obtained the meat sold from the slaughter of live stock owned by him, but also when he sells such meat through a branch or other place of business operated by him.

(2) The maximum prices fixed by this Section include delivery

- (a) to the buyer's place of business or, at the seller's option, to a dock designated by the buyer in the port in which the buyer's place of business is situated if, in either case, the buyer is a person who is purchasing the meat for resale; or
- (b) to the dock, designated by the buyer, in the ship's port of call, if the buyer is the ship's owner or agent.

(3) The maximum price at which any cut of meat listed in Schedule "A" hereto, that is not frozen, may be sold by a person who obtained the meat from the slaughter of live stock owned by him to any person for use as, or for resale for use as ships' stores, shall be the price for the same set forth in said Schedule "A" according to the quality and kind of meat and to the zone in which the buyer's place of business is situated or, if the buyer is a ship's owner or agent, to the zone in which the ship's port of call is situated.

(4) The maximum price at which any frozen meat in the forms set forth in Schedule "B" hereto may be sold by a person who obtained the same from the slaughter of live stock owned by him to any person for use as, or for resale as use as ships' stores, shall be an amount equal to the maximum price at which he may sell the same when not frozen to that person, as fixed by Section 5 or by subsection (3) of this Section, as the case may be, PLUS, if the meat or meat product is delivered to the buyer in a port named in Schedule "B", the amount per pound set forth in said Schedule "B" for such meat and port.

(2) The maximum prices fixed by this Section include delivery to the ship. However, if during the said basic period, a person to whom this Section applies made a charge for delivering ships' stores from his warehouse or place of business in a port to a ship in the same port, he may now charge for any such delivery an amount not exceeding the actual cost of the hire or use of the vehicle, boat, barge or lighter used to make such delivery but in that event, he must show such charge as a separate item on his sales invoice to the buyer and must not include it in calculating his markup.

(3) The Administrator of Ships' Stores may, with the concurrence in writing of the Chairman of the Board, authorize any person or persons in any port when selling any meat or meat product under the provisions of this Section to any person at any other port, to charge the buyer with the actual cost of transporting the meat or meat product from the port in which the seller's place of business is situated to the port in which delivery is made but in that event the seller must show such charge as a separate item on his sales invoice and must not include it in calculating his markup.

Records of Sales and Purchases

8. (1) Every person selling under the provisions of this Order any meat or meat product to which a product order applies shall maintain records of his purchases and shall furnish and retain copies of sales invoices covering his sales of such meat or meat product, in the same manner and showing the same particulars as is required by the product order concerned of persons selling such meat or meat product at wholesale.

(Section 2 as substituted by Order No. 518)

EXEMPTIONS FROM ORDER

3. (1) The following shall not, for the purposes of this Order, be deemed to alter the status of new goods into used goods:

4. (1) The maximum price at which any person may sell or offer to sell any used goods the maximum price for which has not been fixed by any Order made, approved or concurred in by or under authority of the Board shall be as follows:

- (a) if the goods have been repaired or reconditioned in order to make them reasonably fit for the purpose for which they were manufactured, or do not need repairing or reconditioning in order to make them reasonably fit for that purpose, the maximum price shall be eighty per centum (80%) of the current price to consumers during the basic period namely, September 15 to October 11, 1941, inclusive, in the same or nearest locality for new goods of a kind and quality that are the same as or substantially similar to the kind and quality of such used goods when new;
- (b) if the used goods need repairing or reconditioning in order to make them reasonably fit for the purpose for which they were manufactured, the maximum price shall be the maximum price as determined under clause (a) preceding less the estimated cost of the repairing or reconditioning required to make the goods reasonably fit for that purpose.

(2) Where in any case doubt or dispute arises as to the applicability of subsection (1) of this Section to a sale of any used goods, or doubt or dispute arises as to the condition of the used goods to be sold or as to the correct maximum price at which the same may be sold, or where in any case the maximum price is not known or cannot be ascertained by the seller, the seller or the buyer or a prospective buyer shall apply to the Administrator to determine and fix the maximum price of such used goods and his decision shall be final. Pending such decision the used goods shall not be sold.

PART II—SALES OF SCRAP GOODS

5. If the maximum price for which any scrap goods may be sold has not been fixed by any Order made, approved or concurred in by or under authority of the Board, the maximum price at which any dealer may sell or offer for sale such scrap goods shall be the highest lawful price at which that person sold scrap goods of the same kind and quality in the basic period.

6. If the maximum price for which any scrap goods may be sold has not been fixed by any Order made, approved or concurred in by or under authority of the Board and if such scrap goods are of a kind and quality not sold by him during the basic period, no dealer shall sell or offer to sell those scrap goods unless, upon application by him, the maximum price for the goods has been fixed by the Administrator.

PART III—RENTING OF GOODS

MAXIMUM RENTAL FOR GOODS

7. (1) The Wartime Prices and Trade Regulations, by Section 7 and the definitions of "price" and "sale", provide that the maximum rate at which any person may let or offer to let any goods is the highest lawful rate at which he let goods of the same kind and quality during the basic period, and also provide that such maximum rate shall be the maximum rate at which he may let or offer to let goods of a substantially similar kind and quality not let by him during the basic period.

(2) Every person, who, since the basic period, has commenced to let goods of a kind listed in the Schedule to this Order and not let by him during the basic period, shall file with the Administrator a statement describing the goods which he lets and submitting for approval the rates at which he lets them. In that case, the provisions of Section 9 shall apply.

3. (1) No person shall display for sale, sell or offer to sell, or ship or deliver in pursuance of a sale, any specified garment unless the identifying marks required by subsection (2) of this Section are exhibited on the garment or on a label or tag attached to it.

(2) The identifying marks which a manufacturer must exhibit on a specified garment manufactured by him or on a label or tag attached to it are the following:

- (a) the number of his Board licence;
- (b) the line number applied to the garment by him; and

Furthermore, at the request of a wholesaler or retailer, the manufacturer may substitute for his name, trade mark or trade name, the wholesaler's or retailer's name, trade mark or trade name for the specified garment if the trade mark or trade name so exhibited has been recorded by the wholesaler or retailer with the Commodity Administrator, together with particulars of the garment or garments to which it is applied, and if the manufacturer also exhibits his own Board licence number.

- (b) his name and address and that of the person to whom the goods are sold;

- (c) the description of the goods and the seller's number for each line of goods included in the sale;

- (2) If the seller (other than a seller at retail) is not the manufacturer of the goods and does not show the manufacturer's line number for the goods on the invoice he must keep a record of the manufacturer's line number for which his own line number has been substituted.

(3) No person shall display for sale, sell or offer to sell, ship or deliver in pursuance of a sale, any textiles or article of wearing apparel purchased by him on or after April 30, 1945, unless he has received an invoice for the goods from his supplier as required by subsection (1).

(4) Every person who sells textiles or articles of wearing apparel at retail shall, upon the request of the buyer, furnish him with a sales slip showing the date of the sale, the seller's name and address, a description of the goods, the quantity sold and the price charged.

(5) On every sale of any textiles or article of wearing apparel (other than a sale at retail) the seller shall make and keep a duplicate or true copy of every invoice required to be supplied by him and every person who receives such an invoice shall keep it on file.

Any such authorization may be subject to such terms as the Commodity Administrator may impose or require from time to time.

PART IV—EXEMPTIONS

8. (1) The provisions of clauses (b) and (c) of subsection (2) of Section 3 shall not apply to the sale of any specified garment which has been custom tailored, made to measure or made by a home dressmaker, if the garment has been made to the specifications of the wearer.

(2) This Order shall not apply to the sale or delivery of any textiles or articles of wearing apparel when the sale or delivery is on the order of the Department of Munitions and Supply or any agency thereof.

(3) The provisions of this Order shall be subject to such written exemptions as the Commodity Administrator in the case of manufacturers, or the Administrator of Distributive Trades in all other cases, upon application to him, may with the written concurrence of the Chairman grant in any individual case in special circumstances.

Re: Processing of Frozen Eggs (Whites and Yolks)

The purpose of this Directive is to make available to your customers during the year commencing May 1, 1945, and ending April 30, 1946, the same quantity of frozen whites and/or frozen yolks that you sold or delivered to them during the year commencing May 1, 1943 and ending April 30, 1944.
